

Body Language Basics

The ability to interpret body language is a skill that will enhance anyone's career. Body language is a form of communication, and it needs to be practiced like any other form of communication. Whether in sales or management, it is essential to understand the body language of others and exactly what your own body is communicating.

Participants will learn how to:

- Recognize body language gestures and characteristics
- Identify body language mistakes
- Demonstrate how to communicate with power in business
- Recognize signs of deception through body language
- Recall ways to improve body language
